Radar Speed Display Signs Manufacturing & Sales

RU2 Fast-3000

VMS Radar Speed Display Trailer

The RU2 Fast-3000 Series Speed Display Trailer has a full graphic, medium density LED array capable for 1 to 4 lines of text, full graphic characters and complex animation. The VMS display sign folds down creating a lower trailer profile for easy transport and storage. Standard features include high speed blanking, flashing digit violator alert and traffic management arrows, the standard FHWA approved VMS message library and customization software for both text and animation.

Optional features include solar power assist, digital video photo enforcement system and, our RU2 Systems Data Acquisition Package, which records the time, date and speed of oncoming vehicles without the use of cumbersome pneumatic tubes placed across the street!
