Radars Speed Display Signs Manufacturing & Sales

RU2 SpeedBoss™ Radar Speed Display Dolly

The RU2 SpeedBoss™ Radar Dolly has a bright 12" tall character LED display which vividly announces for all to see how fast fork lift or other vehicular traffic is going. The optional "SLOW" Violator Alert, with variable set points in 1 MPH increments, sends a distinctive and unmistakable message that "You're Going Too Fast!".

Highly portable yet extremely stable, this radar speed feedback sign was designed for industrial environments, picking up and displaying speeds down to 1 MPH! Weather resistant* construction for service inside and outdoors, start your campaign against lift truck accidents with the RU2 SpeedBoss™.

RU2 Systems: The Industry Leader in Speed Display Technology
