RU2 SpeedBoss-SZ™ Radar Speed Display Dolly

The RU2 SpeedBoss-SZ Radar Dolly has a bright 12" tall character LED display which vividly announces for all to see how fast vehicular traffic is going in sensitive school environments. The optional "SLOW" Violator Alert, with variable set points in 1 MPH increments, sends a distinctive and unmistakable message that "You're Going Too Fast!" Highly portable yet extremely stable, this radar speed feedback sign was designed for the job, picking up and displaying speeds down to 1 MPH! Weather resistant* construction for service inside and outdoors, start your campaign against School Zone speeding with the SpeedBoss-SZ.

*Not water proof!
